First Choice

Research Screening

First Choice works for you, and with you. Through their efforts, your company's promises are accomplished properly and on time. In our increasingly complex business environment, it is impossible to underestimate the importance of your professional staff in ensuring your company's success and profitability. Therefore, you want to make sure that you always hire the most qualified, trustworthy candidates.

Your employees represent a substantial contribution of time and money on your part.

As such, you need to be absolutely certain that the information on which you are relying to hire them is truthful and accurate.

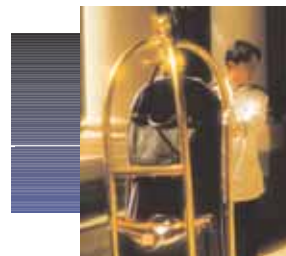

First Choice understands the importance of making correct employment decisions. This is why we specialize in the most professional and comprehensive pre-employment screening services in the industry.

We provide you with the prompt, accurate information you need to hire quality employees and retain them with confidence.

We provide our corporate and government clients with the necessary information about a candidate's qualifications, experience and background prior to processing, placement and training. Our services include, but are not limited to:

- Nationwide and Statewide Criminal Records
- Social Security Verification
- Education Verification
- Credit Reports
- Employment Verification
- Customized services to fit your specific needs.

Whether you are hiring management, sales, technical or clerical personnel, selecting the best candidates for your open positions result in cost savings, increased productivity and continuity. With over 25 years of expertise in the background screening industry, an experienced professional staff, the most advanced computerized systems, and a highly qualified support network, First Choice will provide you all the timely, reliable and complete information you need to make the most intelligent decisions every time.

Make the smart choice.

Isn't having peace of mind priceless?

Let First Choice be your only choice.

Let First Choice be your only choice.
